

Dear Families,

Your child has been selected to participate in Leveled Literacy Intervention (LLI) during Rambler Reading Rally time. Every **Monday, Tuesday, Thursday, and Friday**, your child will bring home a take-home packet. Inside the take-home packet you will find: a book for your child to read and a take-home card. The homework routine will be consistent each night.

1. Please have your child read his or her book to you. This is a book your child has read two times during Rambler Reading Rally, so it should be a familiar text. Take time to talk about what happened in the book, interesting information, favorite part, etc.
2. Initial a box on the take-home work card to indicate your child has completed his or her reading assignment.

To encourage additional reading at home, your child will have the opportunity to select a book to keep, each time your child's take-home card (10 books) is completed! Students will have an opportunity to choose their book on Wednesdays. Thank you for your active participation in this program! We are looking forward to watching your child grow as a reader through this program!

Educationally Yours,

The Rambler Reading Rally Team
